Insurance Agent...Is It Right For You?

It's More Than A Career; It's A Way Of Life...

David Crofts & Associates Insurance Professionals

As you start your career as an independent insurance professional, you are going to have the opportunity to assist friends, family, and other members of your community with some of life's most challenging decisions. Helping people in need is one of life's most rewarding fulfillments. However, being a David Crofts & Associate Agent will also allow you the ability to enjoy benefits such as setting your own hours, unlimited earning, even incentive trips, while growing as an independent business owner.

Although, a career path as an insurance professional may be a perfect fit for you; it is not for everyone. While our company is dedicated to your success and will provide you the valuable knowledge, technological tools, and training essential to succeed, your success depends on you. To become an industry leader will require commitment, time, effort, and the desire to be successful in the face of adversity. If these challenges excite you, then get ready for the opening chapter of your new career!

Multi Carrier Quoting Engine

In today's marketplace saving time and money while not sacrificing coverage is the number one priority for most all consumers. You will be able to provide this service in a fraction of the time with our state-of-art quoting engine. Allow your clients to compare premiums, plan type, deductible, coinsurance, and copay from some of the nation's leading provider all in one place.

Agent Website

It is common knowledge that almost all consumers start their insurance shopping online. That's why we put your business on the worldwide web with a professionally designed consumer-facing storefront website. The best part about having a website is that it works even when you aren't!

The Difference...

Every company talks about being different but rarely discloses what makes them so unique, or how these things translate into growing your successful business. Here at David Crofts & Associates its simple (we invest in your success). Upon becoming an agent, you will receive cutting edge technological tools, access to mentors with over 100 years combined experience, production lead programs, product education and second-to-none sales training, all at NO COST to you! In addition, you will also receive at NO charge your very own website and customer management system that makes selling insurance simplified and streamlined.

Leads Reward Program

In addition to the excellent commissions and bonuses you will earn as a David Crofts & Associates agent, you may also qualify for the Performance Rewards Program. This program allows you to leads just for issuing policies. Types of leads include Health, Life, and Medicare.
